SUBMISSION OF REPLACEMENT DRAWING SET

Commissioner for Patents
Washington, D.C. 20231

S I R :

Preliminary to the examination of this application, please substitute the attached set of drawings for Figs. 1-17 as filed.

REMARKS

The attached set of Figs. 1-17 is believed to be of better quality than those originally filed. These are copies of the original computer-generated figures and no new matter is believed to have been added.

Respectfully submitted,

ABELMAN, FRAYNE & SCHWAB
Attorneys for Applicants

A handwritten signature in cursive script, appearing to read "Thomas E. Spath".
